Your dream apartment in Spain. A unique green residential area of 126,000 m2 will be built on this wonderful area, with Europe's largest unique 17,000 m2 outdoor swimming pool with two islands, green area, mini golf, children's play area and much more. These wonderful high standard detached houses will be completed on the first line of this beautiful lake. Plot sizes vary from 392 to 745 m2. Each high-end villa is customized according to the customer's taste with three or four bedrooms. In addition, the houses have a 150 m2 ground floor. Only 14 houses will be built, so choose yours quickly. Please note that we always hand over...
