Sunset Hill - Phase IV Now Available! We are excited to announce the launch of Phase IV of Sunset Hill Residential! This new phase offers twelve stunning homes: six top-floor apartments with private solariums, and six ground-floor apartments with spacious terraces. The ground-floor apartments come with the choice of two or three bedrooms, and personalisation options are available to create your dream home. At the same time, we are continuing the sales of Phase III homes, with four units still available. These two-story apartments provide a fantastic opportunity to customise the space, with a wide selection of materials available to...
