Allure of Sant Jordi - Choose Your New Home Just 100 Meters from the Mediterranean Sea Allure of Sant Jordi is located in Colonia de Sant Jordi, just 100 meters from the sea, and is close to the renowned Els Estanys and Es Trenc beaches, as well as the stunning Salinas de S'Avall salt flats. This exclusive residential complex offers the perfect opportunity to enjoy the warm Mediterranean climate all year round, in a natural, peaceful setting. This beautiful project consists of 24 homes with different layouts: apartments with large gardens and terraces, penthouses with private solariums, and duplex homes with gardens. All...
